

Founded in 1999, Freedom Global Component Distribution has helped OEMs and Contract Manufacturers fortify their electronic supply chains with market insights, quick execution, and flexible programs.

You can count on Freedom to deliver in each phase of your product lifecycle. From NPI, to full production, through product ramp down. Our supply chain services will help mitigate lead time and cost related issues with reliable distribution programs.

## SERVICES

### Supply Chain Management

- Build to Fit inventory management solutions
- Directed distribution
- Flexibility to maximize your ROI

### Best in Class Quality Management

- Tier 1 Quality™
  - ISO-9001
  - AS9120
  - AS6081
  - ISO 13485
  - AC-00-56-B
  - DLA Certified (QSLD & QTSL)
  - ANSI/ESD S20.20
- Advanced testing capabilities

### Shortage Mitigation

- Preventing problems before they arise
- Market Intelligence
- Lead time management
- ROWC friendly
- Lifecycle management

### Excess Inventory Management

- Collaborative and creative programs
- Revenue generation from excess, obsolete, and slow moving inventory
- Environmentally friendly recycling

## PRODUCT CATALOG

### IP&E

- Power Supplies
- Fans
- Relays
- Switches
- Connectors
- Mill Spec Connectors
- Din Rail Products
- Heat Sinks
- Capacitors
- Resistors
- Buttons
- Enclosures
- LED Drivers
- Thermal Management
- EMI
- Magnetics
- Solar
- Tubing and Hoses
- Wire and Harnesses
- Motors
- Antennas
- Potentiometers
- Inductors
- IGBT/IGBT Modules
- Fiber Optics
- Circuit Protection
- Fuses
- Gas Discharge Tubes
- Surge Protection

### Integrated Circuits

- Microcontrollers/Microprocessors
- FPGA
- CPLD
- Digital Signal Processors (DSP)
- Power Management Integrated Circuits (PMICs)
- Interface Devices
- Linear Regulators
- LDO's
- ADC's
- DAC's
- Memory IC's
- Crystals and Oscillators
- Silicone Carbide FET's and Diodes
- FET
- Accelerometers
- Gyroscopes
- Energy Harvesting Devices
- Sensors (Pressure, Gas, Temperature, Motion, Level)
- LED's
- Motor Control
- Mill Spec IC's

### System Level/Other

- Displays
- Batteries
- SOM's
- Single Board Computers
- BeagleBone/Raspberry Pi's
- Materials and Adhesives
- Test and Measurement
- Lab and Warehouse Supplies
- PCB's
- Antistatic/ESD
- Clean Room

## MAIN LINE CARD
